Alexandria, VA 22313-1450

Sir:

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. § 1.97(d)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(d), Applicants bring to the attention of the Office the documents on the attached Form/SB/08. This Supplemental Information Disclosure Statement (SIDS) is being filed after the Notice of Allowance dated May 16, 2005. In compliance with the provisions of 37 C.F.R. § 1.97(d), this SIDS is accompanied by a fee of \$180 as specified by 37 C.F.R. § 1.17(p) and a certification as specified by 37 C.F.R. § 1.97(e)(2).

Based on reasonable inquiry, no document listed in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application, and no document listed in this Information Disclosure Statement

was known to any individual designated in 37 C.F.R. § 1.56(c) more than three months prior to the filing date of this Information Disclosure Statement.

Copies of the newly listed documents, excluding any U.S. Patents, U.S. Patent Application Publications, and any Office Actions for which J. VENKAT is listed as the Examiner, are attached. Applicants respectfully request that the Office consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

Further to the Notification of Pending Litigation filed on July 23, 2004, in this application, Applicants submit two additional documents from the on-going litigation *L'Oreal S.A., et al. v. Estee Lauder Companies Inc. et al.*, Civil Action No. 04-1660 (D.N.J.). The first document is Estee Lauder's Amended Answer and Counterclaims, dated April 21, 2005. The second document is a copy of Estee Lauder's Response to Estee Lauder's Response to Plaintiffs' Third Set of Interrogatories (Nos. 8-13). Both of these documents are enclosed with this Information Disclosure Statement and listed on the IDS Form PTO/SB/08.

The United States Court of Appeals for the Federal Circuit held in *Dayco Products, Inc. v. Total Containment, Inc.*, 329 F.3d 1358, 66 U.S.P.Q.2d 1801 (Fed. Cir. 2003), that an "adverse decision" by another examiner may meet the materiality standard under the amended Rule 56, and thus, applicants should disclose prior rejections of "substantially similar claim[s]" to the Office. Accordingly, although Applicants are not representing that the office actions in the co-pending applications are material to the present application and are not admitting that any of the other claims are substantially similar, out of an abundance of caution, Applicants have listed the

substantive office actions filed in co-pending applications on the attached form. At the Examiner's request, Applicants have not included copies of the office actions from co-pending applications issued by the Examiner of this application.

Non-English Language References

With respect to the following non-English language documents listed on the attached Form PTO/SB/08, Applicants provide the following information regarding English-language abstracts and translations:

WO 98/25922 - An abstract of this document can be found on the front of this document, as well as the English language Derwent Abstract submitted herewith. This document is believed to be related to U.S. Patent No. 6,361,764 and U.S. Application Publication No. US 2002/0010179 A1, which are listed herewith.

Conclusion

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Office applies any of the listed documents as prior art against any claims in the application and Applicants determine that the cited document do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
